

Sri Lanka Foundation Int. is proud to present this cultural extravaganza produced entirely by Sri Lanka Foundation International Performing Arts Center and community volunteers who are committed to bringing you a taste of Sri Lankan culture. Most of our performers, artists and demonstrators also volunteer their time to showcase the richness of our culture learned as part of their childhood or passed on from generations. We welcome you to join us as an Expo volunteer! Students, can earn community service hours! Learn more about Sri Lankan culture as you volunteer a few hours of your time or become an integral part of planning our event.

Register to become a volunteer at Sri Lanka Day Expo
